### INTRODUCING "SECUR & CLEAN" COVER SYSTEM

By GLI Pool Products

The only cover with no pump, no motor, no moving parts and nothing to break down that keeps pool clean, and protects it from accidental intrusion by children, pets, or stray animals. Patented "kleen screen" drains water from surface—filtering out dirt, leaves and debris. Quick-zip panel allows easy annual cleaning of the "kleen screen" with a garden hose. Meets or exceeds ASTM F 1346-91 safety cover performance standards.
