

SeaKlear®

Reliable. Safe. Effective.

CHLORINE-FREE SHOCK

SeaKlear Chlorine-Free Shock is a superior product. It helps keep your water clear and odor-free, and swimming can resume just 15 minutes after treatment.

Superchlorinating can make a pool unsuitable for swimming for up to 24 hours after a treatment.

- Quick-swimming can resume just 15 minutes after treatment
- removes odors and chlorine smell
- Shocks with active oxygen, not chlorine
- Eliminates contaminated chlorine, suntan oils and perspiration
- Effective with bromine, mineral purifiers, ozone and chlorine-based systems for pools, spas and hot tubs

25lbs \$118.00

ALGAE PREVENTION & REMOVER

To control algae in pools, simply add SeaKlear Algae Prevention & Remover every 3 months.

- Use against blue-green, black and mustard algae
- A single treatment lasts 3 months
- Non staining formula
- Guaranteed superior performance
- Part of the proven family of SeaKlear water treatment solutions

#SKA-B-Q Algae Prevention & Remover

Quarts \$17.60

PHOSPHATE REMOVER

SeaKlear Phosphate Remover works better and does more than other phosphate removers.

- Removes up to 1,000 parts per billion of orthophosphates per 20,000 gallons of water.
- Proven to eliminate phosphates from fertilizers, rainwater, soaps and decaying vegetation and other pollutants.
- Nontoxic - 100% safe for your family and the environment

#SKZ-U-Q Phosphate Remover

Quarts \$37.80

THICK TILE & VINYL CLEANER

SeaKlear Thick Tile & Vinyl Cleaner is designed to remove film, oil and scum lines from tile, vinyl and grout. Unlike other products of this type, SeaKlear Thick Tile & Vinyl Cleaner is non abrasive, yet it reaches down into the pores to remove soils.

- Removes oil and scum lines
- Cleans grout lines
- Removes dull films
- Safe for acrylic surfaces

#SKL-T-C Thick Tile & Vinyl Cleaner

Quarts. \$10.50

PARTICLE REMOVAL SYSTEM

The SeaKlear Particle Removal System (PRS) is a superior advanced polymeric treatment that keeps pools clear and pristine.

- Enhances the filter's ability to remove particles down to 0.5 microns
- Effectively reduces turbidity and recovery time, especially during peak bather load and before and after a swim party
- A good emergency treatment to clear cloudy pools by using the filter
- Better oil removal performance than with the leading enzyme product
- Works with most pool filter media: sand, zeolite, diatomaceous earth, cellulose and cartridges

#1130001 PRS Quart Kits

1 Quart each component \$39.95

NATURAL CLARIFIER

SeaKlear Natural Clarifier works better and does more than other clarifiers. Quite simply, it is the best clarifier money can buy. Our proprietary, patented chitosan polymer formula has been proven to be reliable at safely keeping pools clear, easily and effectively.

- Naturally clarifies cloudy water
- Eliminates oil and scum
- Safe to use with all sanitizers
- Removes excess metals
- Easy and simple to use
- Makes cleaning all filters quicker and easier

Nature²

Nature² is a sanitizing system that uses patented mineral-bed technology to provide crystal clear water and improved water quality. Working with the pool filtration system, Nature² uses elemental minerals that combine with a small amount of chlorine to inhibit bacteria growth and eliminate contaminants. Minerals make the water noticeably softer and less chlorine means a lower potential for red-eye, dry skin or foul odors. With Nature², your swim experience is clean, fresh, and gently soothing.

Nature² PROFESSIONAL "G"

Mineral sanitizer dispenser for all In-Ground pools.
(order mineral cartridge separately)

#W25904 Nature² Professional "G" Vessel 2" \$442.00

#W26725 G25 Cartridge
25,000 Gallons \$132.00

#W26735 G35 Cartridge
35,000 Gallons \$145.00
