

RESIDENTIAL POOL CLEANERS

A. POLARIS 380

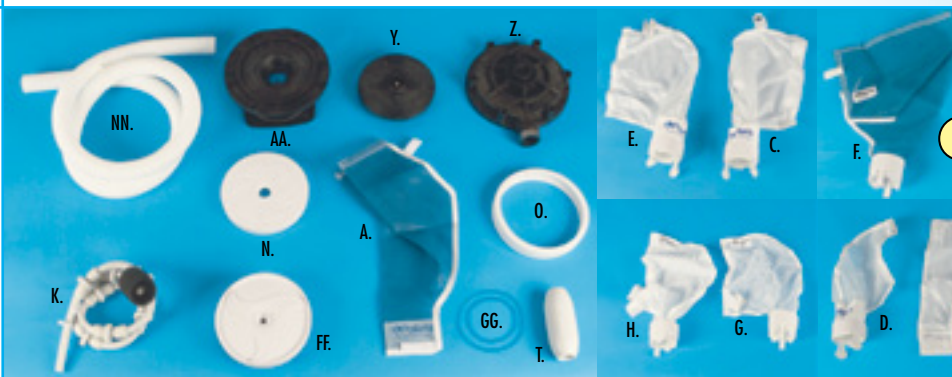

Our new Polaris Vac-Sweep® 380 outperforms any pool cleaner on the market. Advanced technology makes the Polaris 380 the fastest, most powerful and durable automatic pool cleaning system in the world. It vacuums pool bottom, sweeps walls and hard-to-clean places. No more cleaning filter or pump basket. Plus, it enhances the effectiveness of your chemicals. The 380 runs off its own booster pump, independent of your pool system. Bags debris so it can't clog your filter system. Comes complete with two-year warranty. #2005 Polaris Vac Sweep Cleaner Model 380 Only **\$949.95** #PB-4 Polaris Booster Pump only **\$339.95** Specify wall or deck mount.

B. POLARIS-65

Polaris 65 is the very best above-ground pool cleaner on the market. It works with your existing pool equipment, so you can install it easily in minutes. The Polaris 65 does all the hard work for you, leaving you with a sparkling clean pool. Just sit back and relax – Polaris is in the pool! It vacuums the bottom and sweeps the sides of any size or shape above-ground pool in 3 hours or less.
